

## VOTE FOR JOHN GODBOLD ON MAY 3RD

Vote for John Godbold, an active and caring Councillor who has lived in the ward with his family for thirty years. John has been a Parish Councillor for twenty years, ten as Parish Chairman. He has been closely involved in planning issues, supervised the design and installation of new play areas and the return of cattle to Whiteshute Ridge.

"I share the concerns of residents about uncontrolled proposals by developers across our area whilst there is still a shortage of genuinely affordable housing for our young people. This is why I support Winchester City Council in having a strong local plan so we can be reassured that housing and infrastructure needs are properly assessed and evidence based" said John.

### Local MP, Steve Brine , endorses John Golbold

Steve says, "I have known John Godbold for some years now, and he will be known to local residents through his years of work and leadership on Badger Farm Parish Council. John will thrive if given the chance to represent the wider area on Winchester City Council as, put simply, he knows how to work with people, and how to get things done."

### PROTECTING AND ENHANCING OUR RURAL WARD

"As a local resident, I appreciate the importance of jobs, housing, and the rural economy. It is important to maintain the beauty of this area too.

"I will keep a close watch on any plans for Bushfield Camp. Cllr Warwick and I will work to ensure a significant proportion of Bushfield is maintained as green space and any plans are in keeping with the local surroundings. This must not impact on views from Compton Down," said John.

## JOHN'S PRIORITIES ...

- Improving local infrastructure - shops, transport and facilities for older residents.
- Supporting employment opportunities and affordable housing for young people.
- Ensuring accessibility for all ages at the new Sport and Leisure complex.
- Listening to and acting upon the concerns of outlying villages.
- Supporting the work of our Parish Councils and on local projects such as the work on the Compton Lock, Sparrowgrove Woods and **the Oliver's Battery Junction.**

## PARKING AT THE SOUTHERN HOUSE, OTTERBOURNE

Residents of Waterworks Road and Sparrowgrove have put up with many months of inconsiderate and occasionally dangerous commuter parking.

“I am pleased to report that, following intervention by Cllr Warwick and the Otterbourne Parish Council, the owners of Southern House have now appointed contractors to extend their existing on site parking provision. Work is due to commence on the site in May and there will be adequate on site parking provision for employees and visitors,” said John.

## MAYOR'S COMMUNITY AWARD

“I was pleased to support Colin Dean and his black Labrador Isla for the Mayor of Winchester's Community award.

“Colin has created and maintained the paths across Badger Farm's Whiteshute Ridge for many years now. He is a familiar sight with his green cutter and Isla alongside to lend a helping paw. He always has a cheery word for walkers, runners and families using the Ridge,” said John.

The Mayor's Awards recognise and celebrate the organisations and individuals who give outstanding service to the people and places of the Winchester District.

The aim of these awards is to celebrate the selfless activity that brightens the lives of many residents, and makes the District a wonderful place in which to live.

## JOHN SAYS ...

“I am passionate about our area. It is a wonderful place to live, work and bring up children close to the historic City Centre and River Itchen.

Under strong new leadership, Winchester City Council has embarked on projects to support the economy across the District. These include development of the Station Approach, Regeneration of Central Winchester, the Sport and Leisure Park, a new Waste Collection Contract including a doorstep glass collection and the Movement Strategy to help reduce congestion and pollution.

I am hard working, approachable and will ensure residents see the benefit of investment from our Conservative run City and County Councils.”
